Number of Vacancy: 01

Link to job announcement at <http://acpol.army.mil/employment> for more information.

Duties: You will serve as an Electronic Digital Computer Mechanic working out of a FRA, CONUS/OCONUS locations providing maintenance support for Standard Army Management Information Systems, Corp Theater ADPE Services Center, & other Commercial Off-The-Shelf computer & communication electronic systems equipment. Must be thoroughly knowledgeable of the specific complete systems, to include all mission-peculiar equipment or software. Provides on-site and telephonic assistance to user personnel in the assigned area, and provides hands-on training and assistance when required. Repairs, tests, troubleshoots, modifies, overhauls, and diagnoses a variety of electronic digital computer systems, equipment, and peripheral devices with dense and complex circuitry. When it is determined that the unit cannot be repaired telephonically, incumbent will go to site and perform hands-on repair. Records all information related to site reporting the problem.

About the Position: The Forward Repair Activity (FRA) Fort Bragg facility provides forward repair and technical support for Standard Army Management Information System (STAMIS) computers and related peripherals, Automated Data Processing Equipment (ADPE), and Tactical Operation Center (TOC). This FRA is part of Tobyhanna Army Depot (TYAD). The TYAD mission includes design, manufacture, repair and overhaul of hundreds of electronic systems for all branches of the Armed Forces. For over 50 years, Tobyhanna personnel have built a tradition of unparalleled customer satisfaction through the delivery of timely, cost-effective, and high-quality products and services. The FRA is located northwest of Fayetteville, North Carolina, and is the home of the US Army XVIII Airborne Corps.

Trades and Labor

SCREEN OUT ELEMENT: Your resume must indicate your overall, knowledge, experience, training and education (as stated in the major duties paragraph of this announcement) to independently perform the work of an Electronics Digital Computer Mechanic. Resumes will be reviewed for experience/training which provided skills and knowledge of electronic/computer equipment assembly, installation, repair, and alignment; troubleshooting electronic/computerized equipment; ability to suggest and apply new methods; ability to interpret instructions, specifications, etc. **PHYSICAL EFFORT:** Requires regular standing and bending, lifting and carrying equipment up to about 40 pounds. **WORKING CONDITIONS:** Works inside well lighted, heated, and ventilated shop areas and in outside work areas, usually in good

weather conditions. Exposed to possibility of serious burns caused by electrical shock or hot components. Subject to cuts, bruises, and scrapes from handling equipment and tools. Travels as senior mechanic on an "as required" basis to repair and/or install equipment systems serviced. **CONDITIONS OF EMPLOYMENT:** Incumbent must be able to obtain and retain any security clearance required to perform the duties of this position. Incumbent is required to travel to various sites in an assigned area in order to repair CTASC-II and other like systems and equipment. Incumbent is subject to being called after normal duty hours to respond to emergency repair of systems in the assigned region. **VETERANS PREFERENCE:** For preference to be granted your résumé/supplemental information must clearly show your entitlement to preference. This is done by listing campaign badges, medals earned, dates of military service for which preference is authorized, etc.. Veterans claiming 10-point preference must indicate date of VA letter certifying compensation for a service-connected disability or disability retirement pay, or other appropriate information that substantiates the claim of veterans preference. If selected, you must submit documentation that verifies Veterans Preference that was claimed on your résumé.

Experience and training that furnish the knowledges, skills, and abilities needed to perform the duties of this position consistent with accepted practices of the trade. Ability to use and maintain appropriate tools and equipment. Ability to read, understand, and apply instruction and other materials related to the job.

Ability to do the work of the position under normal supervision.

The experience described in your resume will be evaluated and screened for the Office of Personnel Management's basic qualifications requirements, and the skills needed to perform the duties of this position as described in this vacancy announcement.
